This is not an approved course: This message appears when the course number being entered has not been approved by the Vice President's Advisory Committee (VPAC). A course proposal should be initiated as soon as possible. In the meantime, a request to the scheduling office (schedule@umd.edu) can be made for a one-term pending status. If this exception has already been used, additional approval is required by Claudia Rector (crector@umd.edu) in order to extend the pending status.

```

```

In this example, TBA is entered under the BLDG column instead of the ROOM column. This in turn has the RM STAT column listed with an "I" which translates to this scheduling process being incomplete.

The TBA designation should be entered under the ROOM column. Once this has been entered the room scheduling is consider complete and our office considers this complete and would not search for any additional rooms.

```
